

INTRODUCTION

TODAY, THE VIENNA FURNITURE MUSEUM PRESENTS A UNIQUE COMBINATION OF MUSEUM, DEPOT, AND WORKSHOP THAT CANNOT BE FOUND ANYWHERE ELSE.

6,500 objects are on display at the museum. What was once the "monarchy's storage rooms" has, over the centuries, become one of the world's most important furniture collections, comprising some 61,000 pieces of furniture.

Within this exceptional setting, several of our rooms are available for your private event. Enhance your program with an exclusive guided tour of the Vienna Furniture Museum and offer your guests an unforgettable experience.

Below you will find information about the various possibilities. We would be happy to send you further materials upon request. You are also welcome to schedule a personal viewing appointment. We look forward to planning and executing your individual event with you.
